H12350	HPWPTSESC	ELONGATED SMOOTH-CLOSING WHITE PLASTIC TOILET SEAT	1	6	<input type="checkbox"/>

### BOTTOM VIEW

### TOILET SEAT FEATURES:

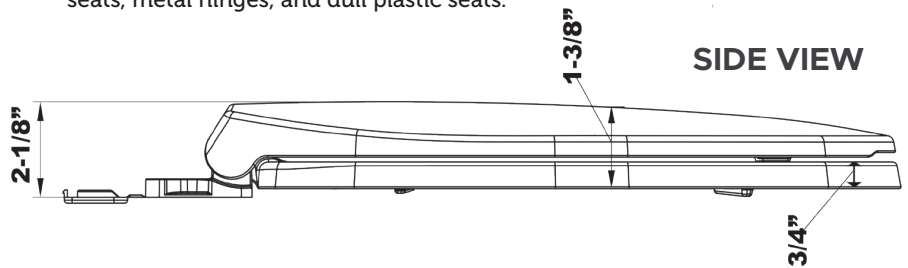

- Hardware Included
- Heavy-Weight Plastic
- Individually Boxed
- Check hinges are bagged inside an outer protective plastic that protects each seat

### CARE & CLEANING:

Toilets seats should be cleaned using only mild, soapy water and a soft cloth or sponge. Rinse clean with water and thoroughly dry with a clean cloth.

To avoid damaging the finish, do not allow aerosol products, abrasive chemicals or cosmetics (fingernail polish, aftershave, harsh cleaners, etc.) to come in contact with the toilet seat.

Do not use bleach, pine oils, essential oils, chlorine, acid, disinfectants, products in aerosol cans, hard brushes, abrasive scouring powders or pads. Harsh chemicals can rub away or corrode paint finishes on toilet seats, metal hinges, and dull plastic seats.
